ONLY YOU CAN PREVENT FOREST FIRES

New Hampshire faces a real forest fire problem and challenge. To meet it successfully, New Hampshire and your community need YOUR thoughtful and cooperative effort. Nearly 900,000 acres of slash have been added to an already sizable slash problem, since the hurricane.

When you fail to use needed precautions while burning in or near woodlands; when you fail to secure the required permit from your local forest fire warden; when you are careless in smoking near woodlands; when you throw lighted smokes from moving vehicles - YOU are violating fundamental common sense and may easily contribute to a substantial and costly fire.

REMEMBER - the fire YOU prevent might be one which could burn YOUR property and harm YOUR community.

ONLY YOU and YOU can prevent forest fires
- will YOU help?

1951 Fire record - Fire permits issued: 44, number of fires: 2, acreage burned: 2.

F. L. Fernald, Forest Fire Warden

REPORT OF THE FIRE CHIEF

As fire chief of the Town of Nottingham I would like to thank all the people who have donated both time and services to make our raffles and Fourth of July celebration a success.

The proceeds made it possible for the firemen to purchase more equipment which is very useful to the fire department.

We have purchased a new overhead door to be installed in the fire house and hope to have two more as soon as possible.

We have had a new tank and body built for the Chevrolet truck, which we expect to put in use this summer.

We were fortunate in not having many forest fires the past season and hope we can get through another season with even less.

Everyone who wishes to burn leaves and rubbish continue getting your permits from your fire warden.

LAROY BATCHELDER,

Fire Chief.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Nottingham:

Nottingham schools are now organized as follows:

| School | Grades | Teacher | Pupils |
|-------------|--------|-------------------------|--------|
| Center | 1, 2 | Mrs. Lillian F. Spencer | 22 |
| Gebig | 3, 4 | Mrs. Edna M. Harvey | 30 |
| Center | 5, 6 | Miss A. Laura Sewall | 20 |
| Gebig | 7, 8 | Mrs. Ruth V. Scruton | 17 |
| Nurse | | Miss Myrtle Fletcher | |
| Music | | Mr. Bertram Colter | |
| Handwriting | | The Rinehart Service | |

| | |
|------------------|----|
| Total elementary | 89 |
|------------------|----|

High school pupils attending outside are as follows: Coe-Brown Northwood Academy 4, Dover 7, Exeter 1, Raymond 1. Three elementary pupils have been assigned to Lee.

Progress has been made on the new school project authorized by the district at the last annual meeting, with preparatory work being done on the site.

The cooperative school district proposal, in which Nottingham has been somewhat interested, has advanced to the point where some neighboring districts may petition the State Board of Education to lay out such a district for acceptance by the voters. Such a district might not mean complete centralization, as local facilities might be retained or even developed. If accommodations in the larger centers become inadequate on account of defense developments or natural growth, the smaller towns may be constrained to create their own cooperative high school facilities, with the added advantage of a voice in their management.

During the past year the school board authorized the replacement of a considerable number of textbooks that were worn out or obsolete. The superintendent was assisted in this process by a survey made by the teachers.

This fall two dental hygienists provided by the State Board of Health conducted a project at the Town Hall, where the teeth of school children were cleaned and washed with a mild solution of fluorine as a preventive from decay. This service was gratis, except for meals, which were furnished by the local Parent-Teacher Association. First-aid has been stressed in the schools as a contribution to Civil Defense.

Honor Roll of Perfect Attendance for One Year

Gary Chase, Robert Hartford, Nancy Hager, Gloria Twombly, Rose Marie Salmon, Ronald Chase, Richard Twombly.

A friend of the Nottingham schools has made a gift of \$50.00 for the benefit of the graduating class at Gebig School. Thirty-five dollars of this amount will be awarded to that member who in the judgment of the teacher and superintendent ranks highest in achievement, promise, and general school citizenship. The balance will be used to present every graduate with a useful souvenir.

Respectfully submitted,

CHESTER W. DOE,

Superintendent.
